Additional Spectator Tickets

When these become available and there is an option to order more tickets we will post this update in your TEAM Whatsapp groups alongside a deadline. You will be able to order additional tickets either directly from event providers website or via our online shop (we will make this super clear)
Please check if your spectator ticket is included in your competition price as some event providers require you to purchase via the website directly.

Two team crossovers

If you are crossing over into two teams there will be an opportunity to purchase an add on for your additional team crossing over at a competition

Cross Overs Fees (2 teams at the same competition)
Ice Cross Over = + additional £25
Cheer City = + additional £24
Soar Competition = + additional £20

Two teams at different competitions?
You will be required to pay the cost price of the seconds teams competition (ICE,Soar.Energy,Cheer City). This option will be available on the website. Please see your specific teams competition guide or the exact pricing
(Comp entry only, not the full package price) you will not be required to pay twice for Allstar games +Team Fee.
