## What to wear?

Please wear sports clothing to your class with us. For Cheer Classes, please bring a clean pair of indoor trainers (these can be any trainers that have been put through the wash). Please arrive in outdoor shoes and change into your clean trainers once inside the venue. Tumble and Ninja classes will be barefoot only.

*(Outdoor trainers are not permitted on the Cheer/Gymnastics Roll Mats.)*

## What to bring?

Please ensure your child has a filled water bottle with them. No fizzy drinks, please. If your child has any medical conditions, please ensure any medical paraphernalia is given to the admin desk assistant upon arrival. If your child is asthmatic, they will only be permitted into the class if they have their inhaler (this is an extremely active sport; inhalers are essential).

## Can Parents watch?

Parents, we love you! However, all of our sessions are strictly No Parent Zones

We believe in giving children the independence to thrive, make friends, and grow in confidence individually. If your child isn't quite ready for our classes just yet, that's not a problem; we look forward to you joining us in the future.

## However ...

We have plenty of opportunities throughout the season for parents to celebrate and witness their child's progression within our teams and classes, including annual showcases, competitions, and our progress trackers for our Tumble and Gymnastics classes.

## Your Pre-Trial Waiver

Please make sure you read through the Terms and Conditions on our Classforkids sign up page. All terms are accepted upon signing up for a Free trial session with us.

You are also required to complete the below waiver for the class your child/you are participating in prior to your trial class with us.

Please ensure you read thoroughly and are aware of all the minimised risk associated to the sport/sports.

## Our Promise to you

The safety of your child in our classes is our top priority. All classes are designed and led in line with the abilities of the class/team. Our classes are led in a positive and nurturing environment and take pride in the clear communication between members, parents, families, staff, and management. All Coaches are Fully Qualified, First Aid trained, Safeguarding trained, Enhanced DBS Checked, Safeguarding certified, and Insured.
